| Traditional and Moo   | dern Approaches to Customary Internatio  | nal Law:   |       |
| A Reconciliation  | = -  | thea Elizabeth Roberts                                       | 757   |
| There are two contemporary approaches to the determination of customary international law: the "traditional," which emphasizes state practice, and the "modern," which emphasizes opinio juris. This article proposes a theory of custom that incorporates both approaches. It rejects analyzing custom on a "sliding scale" in favor of a reflective interpretive approach that reconciles the descriptive and normative justifications for traditional and modern custom. |  | ,,,,   |       |
