GENERAL TABLE OF CONTENTS  
TABLE GÉNÉRALE DES MATIÈRES

Innovation and Experimentation in the International Climate Change Regime, by L. RAJAMANI, Professor at Oxford University. . . . .	9-234
Quelle normativité pour le droit des relations monétaires et financières internationales ?, par J.-M. SOREL, professeur de l'Université Paris I (Panthéon-Sorbonne). . . . .	235-403

## TABLE OF CONTENTS

Chapter I. An introduction to the international climate change regime: issues, instruments, institutions, actors . . . . .	23
A. Climate change as the defining issue of our age . . . . .	23
B. The science . . . . .	24
C. The politics . . . . .	25
D. The response . . . . .	29
1. Instruments . . . . .	30
1.1. Context . . . . .	31
1.2. Objective . . . . .	33
1.3. Principles . . . . .	33
1.4. Regulation . . . . .	34
2. Institutions . . . . .	36
3. Actors . . . . .	37
E. The thesis: innovation and experimentation in the international climate change regime . . . . .	41
Chapter II. Process and procedure in the international climate change regime: tools, techniques, and tricks . . . . .	44
A. Introduction . . . . .	44
B. Agenda setting . . . . .	46
1. Avoiding agenda items . . . . .	47
2. Holding agenda items in perpetual abeyance . . . . .	48
C. Negotiation management . . . . .	49
1. Negotiating mandates . . . . .	50
2. Negotiating and (pre-negotiating) bodies and processes . . . . .	53
2.1. To reassure Parties and pave the way for formal processes .	54
2.2. To provide a space for ongoing discussions . . . . .	55
2.3. To function as a substitute for concrete action in the formal process . . . . .	56
2.3.1. Process as a substitute for action . . . . .	56
2.3.2. Promised process as a substitute for action . . . . .	57
2.4. To expand the knowledge base to trigger fundamental shifts in the negotiations . . . . .	57
3. Negotiating fora . . . . .	58
3.1. Friends of the Chair . . . . .	59
3.2. Huddles . . . . .	61
3.3. Informal informals . . . . .	62
4. Negotiating texts . . . . .	64
4.1. Formal negotiating texts . . . . .	64
4.2. Informal negotiating texts . . . . .	65
4.2.1. Informal negotiating texts to replace the formal text .	66
4.2.2. Landing zone texts . . . . .	67
4.2.3. "Take it or leave it" texts . . . . .	67
4.3. Supplementary texts . . . . .	68
4.4. Cunning textual devices . . . . .	69
4.4.1. Taking note . . . . .	69

4.4.2. Referring to non-existent documents . . . . .	69
4.4.3. Bridging devices . . . . .	70
4.4.4. Disappearing “without prejudice” footnotes . . . . .	71
5. Decision-making . . . . .	72
5.1. The practice . . . . .	73
5.1.1. Finding lack of consensus in the face of express objections . . . . .	73
5.1.2. Presuming consensus in the face of imminent objections . . . . .	73
5.1.3. Declaring consensus in the face of express objections . . . . .	74
5.2. The emerging “contextual” definition of consensus . . . . .	76
5.2.1. Quasi consensus? . . . . .	76
5.2.2. General agreement? . . . . .	76
5.2.3. A practice in search of a rule? . . . . .	77
6. Conclusion . . . . .	79
<b>Chapter III. Legal instruments and obligations in the international climate change regime: nature, type, spread, functions, and interplay . . . . .</b>	<b>81</b>
A. Introduction . . . . .	81
B. To bind or not to bind? . . . . .	81
1. Avoiding legally binding instruments . . . . .	83
1.1. Attempts to avoid legally binding instruments . . . . .	83
1.2. Why States may choose to avoid legally binding instruments . . . . .	89
2. Avoiding or circumscribing legally binding obligations . . . . .	92
2.1. Avoiding legally binding obligations . . . . .	93
2.2. Circumscribing legally binding obligations . . . . .	93
2.3. Why States may choose to avoid or circumscribe legally binding obligations . . . . .	96
3. Law or not law? To bind or not to bind? . . . . .	100
C. Treaties and amendments in the international climate change regime . . . . .	105
1. Legal character of provisions . . . . .	106
1.1. Location . . . . .	107
1.2. Subjects . . . . .	108
1.3. Normative content . . . . .	108
1.4. Language . . . . .	109
1.5. Precision . . . . .	110
1.6. Oversight . . . . .	110
2. Typology of provisions . . . . .	111
2.1. Hard, soft, and non-law provisions . . . . .	112
2.2. Substantive and procedural obligations . . . . .	114
2.3. Obligations of conduct and result . . . . .	115
2.4. Uniform, contextual, and differential norms . . . . .	117
3. Dynamic interplay between different types of provisions . . . . .	118
4. Hybridity and mutation of norms . . . . .	120
D. Decisions taken by Conferences of Parties . . . . .	123
1. Significance . . . . .	123
2. Legal character . . . . .	125
3. Hybridity and mutation: mandatory COP decisions? . . . . .	128
E. Supplementary instruments . . . . .	129

F. Political agreements . . . . .	130
G. Unilateral instruments . . . . .	133
H. Betwixt and beyond: the normative framework of the emerging climate change regime . . . . .	137
<b>Chapter IV. Differentiation in the international climate change regime . . . . .</b>	<b>139</b>
A. Introduction . . . . .	139
B. Principled basis for differentiation . . . . .	140
1. Principle . . . . .	142
2. Common . . . . .	143
3. But . . . . .	144
4. Differentiated responsibilities . . . . .	144
5. And respective capabilities . . . . .	151
6. In light of different national circumstances . . . . .	152
7. Legal status of the CBDRRC principle . . . . .	153
C. Forms of differentiation . . . . .	157
1. Prescriptive differentiation . . . . .	159
1.1. Categories of Parties . . . . .	160
1.2. Categories of commitments . . . . .	164
2. Self-differentiation . . . . .	165
2.1. Self-selection . . . . .	166
2.2. Self-identification . . . . .	167
D. Extent of differentiation . . . . .	169
E. Evolution of the CBDRRC principle and differentiation . . . . .	170
1. Shift in the articulation of the CBDR principle . . . . .	170
2. Turn towards tailored and nuanced differentiation . . . . .	171
2.1. Mitigation: bounded self-differentiation . . . . .	171
2.1.1. Progression and highest possible ambition . . . . .	173
2.1.2. Developed country leadership . . . . .	173
2.2. Transparency: dynamic differentiation in implementation . . . . .	175
2.3. Finance: conventional differentiation . . . . .	177
2.4. Compliance and implementation: implicit differentiation . . . . .	179
3. Emerging context for the application of differentiation . . . . .	181
F. Prospects . . . . .	182
G. Conclusion: the principle and praxis . . . . .	185
<b>Chapter V. Delivering on the promise of the international climate change regime . . . . .</b>	<b>187</b>
A. Introduction . . . . .	187
B. Concretizing nationally determined contributions . . . . .	190
C. Securing nationally determined contributions . . . . .	194
D. Implementing nationally determined contributions . . . . .	198
1. Implementing binding procedural obligations relating to NDCs . . . . .	198
1.1. Binding procedural obligations relating to NDCs . . . . .	198
1.2. The role of the transparency framework in enhancing implementation with binding procedural obligations . . . . .	199
1.3. The role of implementation and compliance arrangements in enhancing implementation with binding procedural obligations . . . . .	199
2. Implementing (and achieving) the objectives identified in the NDCs . . . . .	200
3. Due diligence in implementing NDCs . . . . .	204
	206

3.1. Objective, purpose, and goals of the international climate change regime . . . . .	207
3.2. Discretion permitted to Parties . . . . .	208
3.3. Differentiation in the international climate change regime . . . . .	209
3.4. Nature and extent of harm suffered in the absence of due diligence . . . . .	209
3.5. Expectation of good faith in the exercise of due diligence . . . . .	210
4. Support in implementing NDCs . . . . .	211
5. National circumstances, legal systems, and institutions in implementing NDCs . . . . .	214
E. Ensuring adequacy of nationally determined contributions . . . . .	216
1. The global stocktake . . . . .	216
2. The wider international constituencies of demand and delivery . . . . .	219
F. The effectiveness of the climate change regime . . . . .	221
Bibliography . . . . .	225
